

Homework

Homework will be given out on **Friday** and will be expected in on **Tuesday**.

Your child may receive:

- Spellings
- Mental Math's/timetables
- English
- Maths
- Handwriting

Homework will consolidate work taught in class over the week.

Can you please make sure that you are signing the reading diaries.

Library visit and changing books will be on a **Wednesday**.

Educational Visits

This half term we will be visited in school by the History man who will be delivering an interactive workshop on Prehistoric Britain focusing on the Iron age and the Stone age.

Autumn term 1 in Saturn Class

What can you do to help?

Please listen to and read with your child as often as possible.

Please help children to learn their spellings each week. Spelling tests will be on a **Monday**.

In Year 3 we will move quite quickly through the times tables so please support your child throughout the year to learn, memorise the 2s, 3s, 4s, 5s, 8s, 10s times tables.

Please ensure your child brings in their homework and reading record weekly.

Topics being taught Autumn 1

- History—Prehistoric Britain
- ICT— E-Safety and Coding
- English— The tin forest
- Maths— Place value and Addition and Subtraction
- Science— Light and Shadows
- Art—Famous Artist LS Lowry

JazkhaAllah khair for taking time to read this newsletter.

Ustadha Lister

Saturn Class

Year 3

Class Teacher

Ustadha Lister
Ustadha Aneeqa

I hope you all had a restful break and are ready for the new year. We have a lot of exciting topics to cover during Autumn 1 and lots of hard work.

I am looking forward to working with you and your child.

Kind regards Ustadha Lister

Autumn 1 in Saturn Class

English

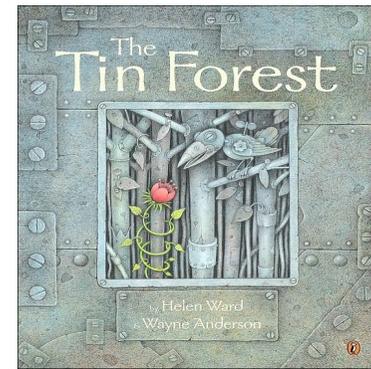

The book Tin Forest has a sequence to focus on characters thoughts and feelings. Children will be writing character descriptions, diary entries, poetry and additional endings to the story. The sequence also focuses on setting descriptions ranging from creating a setting linked to the story and writing descriptions focusing on use of adjectives. The grammar focus will be using 'a' and 'an' correctly and consistently organizing writing into paragraphs.

Maths

This half term we will be focusing on place value, addition and subtraction of 3 digit numbers. Children will build a solid understanding of place value and this will help them with solving real life problems. Children will explore a variety of strategies for adding and subtracting larger numbers.

Science

We will be exploring light investigating which material would be best to make a shadow puppet. We will explore which materials block the most light. We will also investigate how shadows change shape and size.

Computing:

The importance of E-Safety we will also introduce the use of coding.

P.E.

P.E. will be every Tuesday afternoon.

P.S.H.E

Our unit this term is New beginnings as children start a new school year thinking about the importance of belonging and their learning goals for the year.

Art:

We will be looking at the famous artist LS Lowry and painting some of his amazing art work. We will also look at block printing.
