Animal Workshop

Our Year 1 class were visited by some amazing animals on Tuesday 27th March when they welcomed the Animal Workshop. The children have been learning about different animals and categorizing them during their Science lessons. Our pupils had the opportunity of handling many animals.....including a snake!

Iqra Bake Off

What an amazing turn out we had for our Iqra Bake off on Wednesday the 28th of March. The standard this year was exceptional, as was the variety of baked goods. The cake sale continues today, a big thank you to all the participants and parents that contributed to its success.

Hadith of the week

'Ask Allah sbt for beneficial knowledge and seek refuge with Allah sbt from knowledge that is of no benefit' Sunan Ibn Majah

Happy Holidays!

The weeks are just flying past. We break up today for our spring break and we will be returning on Thursday 12th March 2018.

The summer term will bring its usual mix of SATs, sports days, reports, educational visits and hopefully improving weather so we look forward to seeing you all again after a few days' rest!

After school clubs will resume as normal from the week beginning the 16th March 2018.

Free Cycle Training

Continuing our free cycle training initiative for years 4 & 6, Cycle Confident are offering FREE cycle skills courses in Brockwell Park and on Clapham Common during the Spring break. There will be courses for complete beginners, intermediate and on-road safety with light traffic.

Fantastic Year 3!

Wow—what a wonderful assembly performance we were treated to of Roald Dahl's *Fantastic Mr Fox*. Super acting, great costumes and a wonderful demonstration of our Power of Reading approach here at Iqra. Well done too all of the children, Ust. Lister and her team!

Cycle Confident

The free cycle training provided during this week was as popular as ever this time with our year 4 class. It was remarkable the progress our budding cyclists made in such a short space of time.

Q&A for parents

Around 40 parents attended the session hosted by the Headteacher and representatives from Lambeth's Prevent team around the recent spreading via social media of an alleged threat to Muslim communities on 3rd April.

Our guests gave reassurance about the uncoordinated and random nature of the initial letters, the promised increased vigilance by the police and authorities and the low level of actual letters received by any Lambeth group (1).

Parents also left with a guide to how to respond if they have any concerns or encounter any difficulties (copies available from the school office).

Omnibus Drama!

Well done Years 1 & 2 for a super performance of 'London Life' in front of parents and staff last Monday, following up on the work done in class this term. We look forward to working alongside Omnibus in years 1,2,3 and 4 next term!

Tate Modern

Six pupils have been selected to represent Iqra school to an exclusive schools event at the Tate Modern Gallery on Tuesday 24th April. Our school representatives will be joining 1,500 school children, teachers and helpers to champion the arts in schools through a take-over of the Blavatnik Building at the Gallery.

This educational visit is about schools and our pupil's ideas, opinions, actions and voices.
