Dear Parents / Carers

Re: Year 2 Visitor The History Man, David Cadle

Year 2 children will be learning about 'The Great Fire of London' in History.

David Cadle is a history expert and re-enactment educator. He will be visiting us, at school, on **Thursday 27th September 2018**. The children will not need to bring anything special on the day.

David Cadle has many years experience of working in schools and museums, helping to bring history to life through artefacts, re-enactments and enthusiasm. His website provides more information: www.thehistoryman.org.uk.

Please kindly contribute **£7.00** towards the total cost of the workshop. This can be done through Parent Pay.

Jazakallah Khair for your co-operation,

Ustadha S. Gaffar
(Year 2 Class Teacher)
