Re: Year 4 Trip to St Andrews School

Assalaamu Alaykum Parents / Carers,

We at Iqra have joined The Faith and Belief Forum's 'School Linking Programme'. This matches students and classes from different cultural or faith backgrounds in order to explore issues of identity, community and belief. The Faith & Belief Forum exists to create good relations between people of different faiths and beliefs. We believe the future belongs to people of all beliefs, that religious intolerance has no place in society and that diversity adds value.

With this in mind, Year 4 children will be visiting St Andrew's Church of England Primary School in Lambeth. This will give the children a platform to meet other students from the same borough and learn a little more about each other.

We will take part in three engaging and memorable link days with our partner school during the academic year, which also involves them visiting us in the Spring Term. One of our aims is to deepen our knowledge and understanding of different beliefs by engaging directly with students from different backgrounds. We also aim to develop skills of communication, empathy and reflection.

On the trip we will be observing the school's weekly assembly. Ust. Cassim & I visited the school ourselves and saw that the assembly will be appropriate to for our children.

The trip will take place on **Wednesday 5th December 2018**. On the day of the trip, the children will leave the school at 9.30 a.m. and return by 2.30p.m. Please ensure that children wear their school uniform and trainers on the day. They will also need coats, hats and scarves as appropriate for the day's weather. We will be travelling by bus to and from St Andrews. Please provide a full packed lunch and a healthy morning snack in a light rucksack, if your child is not entitled to a free school meal.

The cost of the trip is free.

Jazakum Allahu Khairan for your co-operation,

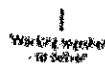

Ustadh S. Hashmi
