

## Walk, cycle, scooter and !

**All of our classes are being monitored for how they come to school on a Wednesday and a Thursday especially!**

We are ever keen to encourage them to come to school by walking—at least some of the way, or cycling, even scootering. Coming by bus is also worth points and all of these are added together to form a running total. After 2 weeks, the scores are as follows:

Year 1: 124  
Year 2: 118  
Year 3: 144  
Year 4: 110  
Year 5: 127  
Year 6: 130

With 3 points per child gained on the walking bus, why not join us next Wednesday and Thursday?

## Year 6 SATs classes

## Singapore Maths Workshop

All parents are welcome to our very special Coffee Morning on Friday 29th April 2019 at 8.40 sharp. This is an opportunity to learn maths through discovery.

Parents will be able to see how their children are learning maths and how parents are able to support them.

## ST Andrews visit

On Monday 18th March, Year 4 pupils hosted a visit by Year 4s from St Andrews, following a visit by our pupils to their school a few weeks ago. This inter-faith initiative is a really good way to promote mutual respect and understanding between different faith groups and we are delighted to be a part of it.

## Anti Idling

On Friday 15th March, at our coffee morning, we were treated to a talk about the dangers of leaving our engines running whilst our vehicle is stationary.

Some of our parents may well be out and about asking you to turn your engine off so please do cooperate with our drive for cleaner air for our children! Jazakallah.

## PARENTLINE

**Text: 07520 631 130**

The ParentLine number is a text number only. It cannot receive phone calls.

This number is confidential and is for use by parents and carers of children at Primary schools in Lambeth and Southwark.

ParentLine is a messaging service for parents and carers of children at schools in Lambeth and Southwark. Parents and carers can message a school nurse to get confidential advice about their child's health related issues.

Help via text message can be given about a range of issues including:

- emotional health and wellbeing
- keeping healthy
- bedwetting
- sleep
- bullying
- keeping safe
- growing up
- dental health
- support with medical conditions in school

## Science Day

Iqra School celebrated Science Week on the 19th of March with a bang. The whole school participated in Science workshops throughout the day. Each year group participated in very exciting activities. The younger children were learning about rocket ships, Key stage two were involved in digestion, heart and blood workshops.

## Parent Governor Vacancy

The Governors play a key role in the life of the school and meet twice a term in either a sub committee or full Body meeting.

**We currently have a vacancy for a parent Governor. If you are interested in finding out more, please do get in touch.**

Our Governors help us to think strategically about curriculum, finances, the premises and staffing matters amongst other areas, so it really is a worthwhile and important role to undertake.

Parent governor nominations need to be submitted by the 3rd of April and the election will take place on the 8th of April

## Hadith of the week
