RE: The Royal Institution Primary Masterclass Series

Dear Parents/Carer of

As salamu’alaikum wa Rahmatullah

The Royal Institution Primary Masterclass Series are looking to run the sessions again in Summer 1 inviting 6 of our more able Year 5 children to take part. It is always a fantastic, enjoyable experience for the children to explore and develop mathematical concepts which are outside the national curriculum. They have already arranged for some guest speakers to run these sessions which is brilliant. If you were one of the adults that attended last year you will know that location was an issue with our secondary school and primary school sharing the same building! I am happy to say that will not be an issue this year as a secondary school is ready - meaning our children will have a large classroom for the whole five weeks these sessions will run.

I am pleased to inform you that your child has been chosen to go to the events dated below.

The dates that are proposed are:

Wednesday 24th April 1.30-3.00

Wednesday 1st May 1.30-3.00

Wednesday 8th May 1.30-3.00 (Ramadan)

Wednesday 15th May 1.30-3.00 (Ramadan)

Wednesday 22nd May 1.30.3.00 (Ramadan)(certificate ceremony 3.00-3.15 with guest speaker)

Please be aware that the last three dates of the events will be during **Ramadan**. Therefore you will be required to collect the children from Woodmansterne Primary School at 3pm (details attached). On these dates Iqra will be closing earlier due to Ramadan timings at 2.45pm however, you may collect other siblings at 2:30pm.

Please to not hesitate to contact us if you have any queries.

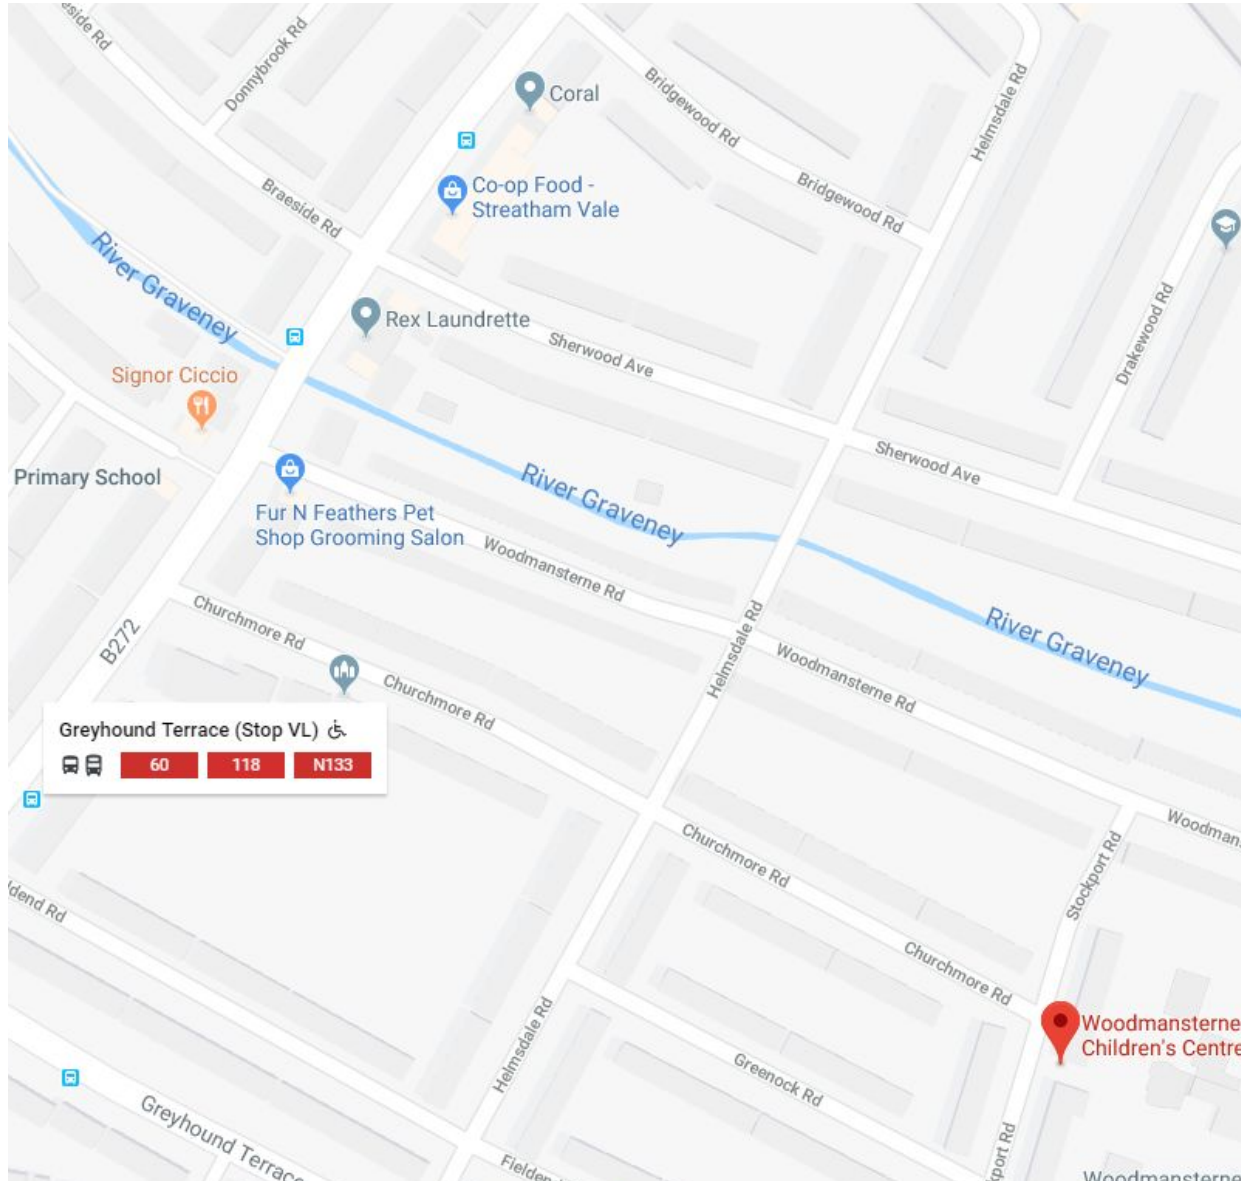

Ust Hakan Bas & Ust Yvonne Djelladj
Maths Leads

Woodmansterne Primary School & Children's Centre

Stockport Road, London, SW16 5XE Telephone: 02087641825

Children can be collected just outside the main school entrance on Stockport Road
