RE: HEALTH AND HYGIENE LESSON FOR Y5 PUPILS

Dear Parent/ Carer,

We have been delivering the Health and Hygiene lessons to our pupils in Y5 and Y6 for the past four years. The experience has been extremely successful and we have received an overwhelmingly positive feedback from parents, children and the facilitators alike. Through this topic children are educated on a sensitive but crucial area of knowledge which helps them prepare for their life ahead.

The session will be facilitated by Michelle Boreland from the local authority.

Please see below the topics covered in the session. Please do not hesitate to contact the school should you wish to discuss any aspect of this letter.
