18th June 2020

Dear Parents/carers,

RE: School opening for Year 5 Wednesday and Thursday

As salamu alaikum

There has been a successful return of Years 6, 2 and Reception for the last 2 weeks. All the children have settled in well and have followed the new safety procedures. Iqra would now like to open the school to our Year 5 children. We have the space and the procedures to be able to provide them with the education that they need in order to prepare them for Year 6. The children will be split into 3 ‘bubbles’ which will be separate from each other.

The school for Year 5 will be open initially for Wednesday and Thursday only, with a view to increase the following week.

School will start at 9.30am and finish at 2.30pm.

We have put in place a range of safety measures in school in order to make sure that all our children and staff are safe. These measures include but are not limited to:

- Limiting class sizes to a maximum of 10 students or less in most cases.
- Creating a new one way system around the school.
- Creating classrooms with pupils 2m apart from one another.
- Preventing pods of pupils and staff from mixing with one another.
- Installing hand sanitisers outside and inside of the school.
- Creating social distance break times.
- Creating social distance PE lessons.
- Providing pupils with individual packs of stationary and chromebooks to prevent cross contamination.
- Providing lunches for pupils in their classrooms.
- Changing the length of the school day.
- Improving ventilation in the classroom.
- Increasing the cleaning routines within the school.

What else do I need to know?

- PLEASE DO NOT ARRIVE EARLY AND PLEASE LEAVE IMMEDIATELY ONCE YOU HAVE COLLECTED YOUR CHILD IN ORDER TO SUCCESSFULLY MAINTAIN SOCIAL DISTANCING GUIDELINES
- Do not park on the road outside of the school, but park on the adjacent roads and walk.
- Only 1 adult may bring a child to and from school.
- Parents will not be allowed inside the school building - contact must remain via phone or email.
- Children will line up outside of the school rather than inside the courtyard. There will be social distancing in place. Please follow the markings outside of the school building.
- Class groupings will be limited to 10 or less, which may result in your child taught by someone other than their class teacher.
- The children will use hand sanitisers as soon as they arrive at school and will wash hands with soap throughout the day.
- Children must bring in a named and filled water bottle as water fountains will be out of use.
- Children may not bring toys or equipment such as pens or pencils etc. from home. These will be provided for them in school.
- Children must wear school uniforms, preferably clean each day.

If you have any questions, please contact the school office in the first instance. Please keep safe and well.

Sincerely,

Humaira Saleem
