5th March 2021

Dear Parents and Carers,

For2feet will be visiting school to provide Pedestrian Training for children in Year 3 on Friday 19 March 2021. Children that participate in this training will learn essential road safety skills that will make them safer pedestrians.

Training will be provided in groups with experienced instructors. Each group will receive one 45 minute training session on the pavements around your school. A member of school staff will also accompany the training.

Please note: The training will follow current government Covid 19 guidelines with the trainers wearing face masks and maintaining social distancing, whilst still ensuring the children's safety at the roadside.

The training reminds the children of Stop, Look, Listen and includes:

- Finding a safe place to cross the road
- The correct use of pedestrian crossings such as zebra/pelican/island that are close to the school
- How to cross at junctions and near parked cars
- The dangers of cars reversing from driveways
- The importance of wearing bright clothing
- The dangers of distractions such as wearing headphones or using a mobile phone.

Yours sincerely,

HCassim

Assistant Headteacher

Please provide consent for your child to take part in the training via ParentPay by 12.03.2021.
